...serves over 73,000 meals each year

Our Mission

Moving people who are homeless from dependency to economic self sufficiency and personal fulfillment through the power of personal relationships

Clyde Corbin has been the Kitchen Director for over 22 years.

- Each morning Clyde, his staff, and dozens of volunteers rise before dawn to serve over 73,000 hot meals each year
- Meals are served 52 weeks of the year
- An abundance of donated food, goods and services are essential to keep the Kitchen running
