

Renewal Project

...90-day stabilization program

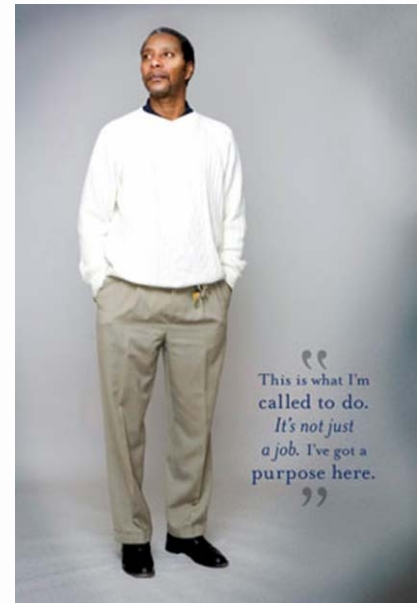

Our Mission

Moving people who are homeless from dependency to economic self sufficiency and personal fulfillment through the power of personal relationships

Dominic Heard is the Director of our Renewal Project.

The Renewal Project is a 90-day stabilization program made available to nearly 3,000 homeless Guests each year.

The Renewal Project offers our homeless Guests a bridge — *a turning point* — to a more hopeful future ...sparked by the accountability and responsibility we require of our Guests.

Case management and Core Services provided each year for over 3,000 homeless Guests include:

- A hot, daily meal is served in the Crossroads Kitchen
- The mail room — run entirely by dedicated volunteers — provide our homeless Guests with a mailing address so they can receive Social Security benefits, food stamps, employment and healthcare communications, as well as letters from family and friends
- Assistance with securing legal identification
- Placement in detox/addiction treatment if needed
- For those without insurance, free healthcare through our partnership with St. Joseph's Mercy Care
- MARTA transportation to get to job interviews and medical appointments
